B. Frequently Asked Questions

The following chart lists frequently asked questions.

Frequently asked questions (FAQ)	Answers
<p>What is a Medicare-Medicaid plan?</p>	<p>A Medicare-Medicaid Plan is a health plan that contracts with both Medicare and Michigan Medicaid to provide benefits of both programs to enrollees. It is for people with both Medicare and Michigan Medicaid. A Medicare-Medicaid Plan is an organization made up of doctors, hospitals, pharmacies, providers of long term services, and other providers. It also has Care Coordinators to help you manage all your providers and services. They all work together to provide the care you need.</p>
<p>What is a Care Coordinator?</p>	<p>AmeriHealth Caritas VIP Care Plus' Care Coordinator is one main person for you to contact. This person helps manage all your providers and services and makes sure you get what you need.</p>
<p>What are long term supports and services?</p>	<p>Long term supports and services are help for people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.</p>
<p>Will you get the same Medicare and Michigan Medicaid benefits in AmeriHealth Caritas VIP Care Plus that you get now?</p>	<p>You will get your covered Medicare and Michigan Medicaid benefits directly from AmeriHealth Caritas VIP Care Plus. You will work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change. If you are currently getting services for mental health, substance use, or intellectual/developmental disability needs, you will continue to get these services the same way you do now.</p> <p>When you enroll in AmeriHealth Caritas VIP Care Plus, you and your care team will work together to develop an Individual Integrated Care and Supports Plan (IICSP) to address your health and support needs. You can keep seeing your doctors and getting your current services for up to 90 days, or 180 days depending on the service, while your IICSP is being completed. When you join our plan, if you are taking any Medicare Part D prescription drugs that AmeriHealth Caritas VIP Care Plus does not normally cover, you can get a temporary supply. We will help you get another drug or get an exception for AmeriHealth Caritas VIP Care Plus to cover your drug, if medically necessary.</p>
