

You can prescribe a 90-day supply of most medications.

AmeriHealth Caritas VIP Care Plus Providers:

-  Your AmeriHealth Caritas VIP Care Plus patients will have to refill less frequently.
-  A 90-day medication supply can improve overall adherence to maintenance medications.
-  90-Day fills are important to help our members limit the number of trips to the pharmacy while ensuring they have needed medications on hand.
-  Improve health outcomes.
-  Improve management of chronic conditions.

Please speak with your AmeriHealth Caritas VIP Care Plus patients about prescribing 90-day supplies of their medications.
