

Provider Overview

- AmeriHealth Caritas VIP Care Plus is a  plan.
- The AmeriHealth Caritas Family of Companies is a leader in providing health care solutions for the underserved and chronically ill.
- AmeriHealth Caritas is among the largest organizations of managed care plans and related businesses in the United States, touching the lives of more than 6 million individuals covered by Medicaid, Medicare, and other insurance.
- Our Mission is, “We help people get care, stay well, and build healthy communities.”

What is MI Health Link?

- In January 2011, Michigan was selected by the Centers for Medicare and Medicaid Services (CMS) as one of fifteen states awarded funding to design and develop a person-centered health care delivery model that coordinates primary, acute, behavioral and long-term supports and services for Medicare-Medicaid enrollees.
- The Michigan Department of Community Health (MDCH) released a Request For Proposal (RFP) to implement its integrated Dual Eligible Demonstration (pilot) in August 2013, and the targeted implementation for the program is May 1, 2015.

What is MI Health Link?

- This dual demonstration program (MI Health Link) joins Medicare and Medicaid benefits, rules and payments into **one** coordinated delivery system.
- It is a three-way agreement between CMS, MDHHS and Integrated Care Organizations (ICOs).
- The ICOs hold sub-contracts with Pre-Paid Inpatient Health Plans (PIHP) for the behavioral health component.
- Operates in four regions in the state.

Goals of the MI Health Link Program

Better care by making it easier for dual eligible individuals to get all of their health care from a single Medicare-Medicaid Plan.

Better value through a care team and a care manager that works directly with the member and their doctors.

Better health through benefits that will help members stay healthy and live at home as long as possible.

Meeting the Mission with Partnership

AmeriHealth Caritas VIP Care Plus can provide expertise and success in helping families achieve our company's mission and the goals of the MI Health Link program, but we need your help. By partnering with dedicated providers and working with underserved communities, we expect to achieve positive health outcomes throughout Michigan.

- Medicare Part D prescription drug benefits
- Michigan Medicaid benefits
- Long Term Services and Supports (LTSS) benefits
- Supplemental benefits

What makes this program different for members?

- ✓ One plan
- ✓ One card
- ✓ One phone number to call
- ✓ No insurance premiums
- ✓ No deductibles or copays for in-network services
- ✓ A care team
- ✓ An individualized care plan
- ✓ Help transitioning home from the hospital or nursing home

What makes this program different for providers?

- Delivery system for Medicare and Medicaid covered services will work in unison rather than in silos.
- Simplified billing processes with the ICO as the single payer source.
- Person-centered planning, rather than a physician driven approach, is used in creating an individualized care plan, but will involve physician input.

Provider Credentialing:

- AmeriHealth Caritas VIP Care Plus works with the Council for Affordable Quality Healthcare (CAQH) to offer our providers the Universal Provider Data source that simplifies and streamlines the data collection process for credentialing and re-credentialing.
- AmeriHealth Caritas VIP Care Plus utilizes delegated credentialing for large provider entities when applicable.
- Our credentialing and Provider Network Management team are available to assist with provider enrollment and sponsoring participation with CAQH.
- Credentialing applications, ADA Attestation, contact information, and submission details are available on our website @ www.amerihealthcaritasvipcareplus.com.
