## B. Frequently Asked Questions (FAQ)

Find answers here to questions you have about this *List of Covered Drugs*. You can read all of the FAQ to learn more, or look for a question and answer.

---

### **B1. What prescription drugs are on the *List of Covered Drugs*? (We call the *List of Covered Drugs* the “Drug List” for short.)**

The drugs on the *List of Covered Drugs* that starts on page 1 are the drugs covered by AmeriHealth Caritas VIP Care Plus. These drugs are available at pharmacies within our network. A pharmacy is in our network if we have an agreement with them to work with us and provide you services. We refer to these pharmacies as “network pharmacies.”

- AmeriHealth Caritas VIP Care Plus will cover all medically necessary drugs on the Drug List if:
  - your doctor or other prescriber says you need them to get better or stay healthy, **and**
  - you fill the prescription at an AmeriHealth Caritas VIP Care Plus network pharmacy.
- AmeriHealth Caritas VIP Care Plus may have additional steps to access certain drugs (refer to question B4 below).

You can also see an up-to-date list of drugs that we cover on our website at **[www.amerhealthcaritasvipcareplus.com](http://www.amerhealthcaritasvipcareplus.com)**, ask your Care Coordinator for help, or call Member Services toll-free at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week.

**If you have questions**, please call AmeriHealth Caritas VIP Care Plus at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free. For more information, visit **[www.amerhealthcaritasvipcareplus.com](http://www.amerhealthcaritasvipcareplus.com)**.

---

## B2. Does the Drug List ever change?

Yes, and AmeriHealth Caritas VIP Care Plus must follow Medicare and Michigan Medicaid rules when making changes. We may add or remove drugs on the Drug List during the year.

We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior approval (PA) for a drug. (PA is permission from AmeriHealth Caritas VIP Care Plus before you can get a drug.)
- Add or change the amount of a drug you can get (called “quantity limits”).
- Add or change step therapy restrictions on a drug. (Step therapy means you must try one drug before we will cover another drug.)

For more information on these drug rules, see question B4.

If you are taking a drug that was covered at the **beginning** of the year, we will generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the Drug List now, **or**
- we learn that a drug is not safe, **or**
- a drug is removed from the market.

Questions B3 and B6 below have more information on what happens when the Drug List changes.

- You can always check AmeriHealth Caritas VIP Care Plus’ up to date Drug List online at [www.amerihealthcaritasvipcareplus.com](http://www.amerihealthcaritasvipcareplus.com).
- You can also call Member Services to check the current Drug List at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week.

**If you have questions**, please call AmeriHealth Caritas VIP Care Plus at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free. For more information, visit [www.amerihealthcaritasvipcareplus.com](http://www.amerihealthcaritasvipcareplus.com).

### B3. What happens when there is a change to the Drug List?

Some changes to the Drug List will happen **immediately**. For example:

- **A new generic drug becomes available.** Sometimes, a new generic drug comes on the market that works as well as a brand name drug on the Drug List now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug will stay the same. When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.
  - We may not tell you before we make this change, but we will send you information about the specific change we made once it happens.
  - You or your provider can ask for an exception from these changes. We will send you a notice with the steps you can take to ask for an exception. Please see question B10 for more information on exceptions.
- **A drug is taken off the market.** If the Food and Drug Administration (FDA) says a drug you are taking is not safe or the drug's manufacturer takes a drug off the market, we will take it off the Drug List. If you are taking the drug, we will let you know.
- If you are notified that your medication has been taken off the market and is removed from the Drug List, you should contact the provider who wrote the prescription.

**We may make other changes that affect the drugs you take.** We will tell you in advance about these other changes to the Drug List. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We add a generic drug that is not new to the market **and**
  - Replace a brand name drug currently on the Drug List **or**
  - Change the coverage rules or limits for the brand name drug.

When these changes happen, we will:

- Tell you at least 30 days before we make the change to the Drug List **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. He or she can help you decide:

- If there is a similar drug on the Drug List you can take instead **or**
- Whether to ask for an exception from these changes. To learn more about exceptions, see question B10.

**If you have questions**, please call AmeriHealth Caritas VIP Care Plus at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free. For more information, visit **[www.amerihealthcaritasvipcareplus.com](http://www.amerihealthcaritasvipcareplus.com)**.

---

**B4. Are there any restrictions or limits on drug coverage? Or are there any required actions to take to get certain drugs?**

Yes, some drugs have coverage rules or have limits on the amount you can get. In some cases you or your doctor or other prescriber must do something before you can get the drug. For example:

- **Prior authorization (PA) or approval:** For some drugs, you or your doctor or other prescriber must get PA from AmeriHealth Caritas VIP Care Plus before you fill your prescription. If you don't get approval, AmeriHealth Caritas VIP Care Plus may not cover the drug.
- **Quantity limits:** Sometimes AmeriHealth Caritas VIP Care Plus limits the amount of a drug you can get.
- **Step therapy:** Sometimes AmeriHealth Caritas VIP Care Plus requires you to do step therapy. This means you will have to try drugs in a certain order for your medical condition. You might have to try one drug before we will cover another drug. If your prescriber thinks the first drug doesn't work for you, then we will cover the second.

You can find out if your drug has any additional requirements or limits by looking in the tables on pages 11-14. You can also get more information by visiting our website at [www.amerhealthcaritasvipcareplus.com](http://www.amerhealthcaritasvipcareplus.com). We have posted online documents that explain our PA and step therapy restrictions. You may also ask us to send you a copy.

You can also ask for an exception from these limits. This will give you time to talk to your doctor or other prescriber. He or she can help you decide if there is a similar drug on the Drug List you can take instead or whether to ask for an exception. Please see questions B10 – B12 for more information about exceptions.

---

**B5. How will you know if the drug I want has limits or if there are required actions to take to get the drug?**

The List of Covered Drugs on pages 1-126 has a column labeled "Necessary actions, restrictions, or limits on use."

---

**B6. What happens if AmeriHealth Caritas VIP Care Plus changes their rules about some drugs (for example, PA, quantity limits, and/or step therapy restrictions)?**

In some cases, we will tell you in advance if we add or change PA, quantity limits, and/or step therapy restrictions on a drug. Refer to question B3 for more information about this advance notice and situations where we may not be able to tell you in advance when our rules about drugs on the Drug List change.

**If you have questions**, please call AmeriHealth Caritas VIP Care Plus at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free. For more information, visit [www.amerhealthcaritasvipcareplus.com](http://www.amerhealthcaritasvipcareplus.com).

---

## **B7. How can I find a drug on the Drug List?**

There are two ways to find a drug:

- You can search alphabetically by the drug's name, **or**
- You can search by medical condition.

To search **alphabetically**, go to the Index of Covered Drugs section. You can find it after the drug listing on page 127. The index provides an alphabetical list of all the covered drugs. The list includes brand, generic, and over-the-counter drugs. Find your drug name in the index, and next to the drug will be a page number where you can find coverage information. Turn to the page listed in the index and find the name of your drug in the first column of the list.

To search **by medical condition**, find the section labeled “Drugs Grouped by Medical Condition” on page 11. The drugs in this section are grouped into categories depending on the type of medical conditions they are used to treat. For example, if you have a heart condition, you should look in the category, Cardiovascular Agents. That is where you will find drugs that treat heart conditions.

---

## **B8. What if the drug I want to take is not on the Drug List?**

If you don't see your drug on the Drug List, call Member Services at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week, and ask about it. If you learn that AmeriHealth Caritas VIP Care Plus will not cover the drug, you can do one of these things:

- Ask Member Services for a list of drugs like the one you want to take. Then show the list to your doctor or other prescriber. They can prescribe a drug on the Drug List that is like the one you want to take. **Or**
- You can ask the health plan to make an exception to cover your drug. Please see questions B10-B12 for more information about exceptions.

---

## **B9. What if I am a new AmeriHealth Caritas VIP Care Plus member and can't find my drug on the Drug List or have a problem getting my drug?**

We can help. We may cover a temporary 30-day supply of your drug during the first 180 days you are a member of AmeriHealth Caritas VIP Care Plus. This will give you time to talk to your doctor or other prescriber. They can help you decide if there is a similar drug on the Drug List you can take instead or whether to ask for an exception.

If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30 days of medication.

We will cover a 30-day supply of your drug if:

- you are taking a drug that is not on our Drug List, **or**

**If you have questions**, please call AmeriHealth Caritas VIP Care Plus at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free. For more information, visit **[www.amerihhealthcaritasvipcareplus.com](http://www.amerihhealthcaritasvipcareplus.com)**.

- health plan rules do not let you get the amount ordered by your prescriber, **or**
- the drug requires PA by AmeriHealth Caritas VIP Care Plus, **or**
- you are taking a drug that is part of a step therapy restriction.

If you are in a nursing home or other long-term care facility, and need a drug that is not on the Drug List or if you cannot easily get the drug you need, we can help. If you have been in the plan for more than 90 days, live in a long-term care facility, and need a supply right away:

- We will cover one 31-day supply of the drug you need (unless you have a prescription for fewer days), whether or not you are a new AmeriHealth Caritas VIP Care Plus member.
- This is in addition to the temporary supply during the first 180 days you are a member of AmeriHealth Caritas VIP Care Plus.

A level of care change occurs when a member changes from one treatment setting to another. Examples include entering a long-term care facility from an acute-care hospital or being discharged from hospital to home. Current members who experience a Level of Care Change are eligible to receive a transition supply of a non-formulary drug (a drug not on the Drug List) upon admission or discharge from an applicable setting.

If a member has more than one change in level of care in a month, the pharmacy will have to call Member Services to request an extension of the transition policy.

---

### **B10. Can I ask for an exception to cover my drug?**

Yes. You can ask AmeriHealth Caritas VIP Care Plus to make an exception to cover a drug that is not on the Drug List.

You can also ask us to change the rules on your drug.

- For example, AmeriHealth Caritas VIP Care Plus may limit the amount of a drug we will cover. If your drug has a limit, you can ask us to change the limit and cover more.
- Other examples: You can ask us to drop step therapy restrictions or PA requirements.

---

### **B11. How can I ask for an exception?**

To ask for an exception, call Member Services. A Member Services representative will work with you and your provider to help you ask for an exception. You can also read Chapter 9, of the *Member Handbook* to learn more about exceptions.

**If you have questions**, please call AmeriHealth Caritas VIP Care Plus at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free. For more information, visit [www.amerhealthcaritasvipcareplus.com](http://www.amerhealthcaritasvipcareplus.com).

---

## **B12. How long does it take to get an exception?**

After we get a statement from your prescriber supporting your request for an exception, we will give you a decision within 72 hours. For more information on how to submit a request for an exception, call Member Services at the number at the bottom of the page.

If you or your prescriber think your health may be harmed if you have to wait 72 hours for a decision, you can ask for an expedited exception. This is a faster decision. If your prescriber supports your request, we will give you a decision within 24 hours of getting your prescriber's supporting statement.

---

## **B13. What are generic drugs?**

Generic drugs are made up of the same active ingredients as brand name drugs. They usually cost less than the brand name drug and usually don't have well-known names. Generic drugs are approved by the Food and Drug Administration (FDA).

AmeriHealth Caritas VIP Care Plus covers both brand name drugs and generic drugs.

---

## **B14. What are OTC drugs?**

OTC stands for "over-the-counter." AmeriHealth Caritas VIP Care Plus covers some OTC drugs when they are written as prescriptions by your provider.

You can read the AmeriHealth Caritas VIP Care Plus Drug List to see what OTC drugs are covered.

---

## **B15. Does AmeriHealth Caritas VIP Care Plus cover non-drug OTC products?**

AmeriHealth Caritas VIP Care Plus covers some non-drug OTC products when they are written as prescriptions by your provider.

Examples of non-drug OTC products include certain contraceptives.

You can read the AmeriHealth Caritas VIP Care Plus Drug List to see what non-drug OTC products are covered.

---

## **B16. What is my copay?**

As an AmeriHealth Caritas VIP Care Plus member, you have no copays for prescription and OTC drugs as long as you follow AmeriHealth Caritas VIP Care Plus' rules.

---

## **B17. What are drug tiers?**

Tiers are groups of drugs. There are no copays for drugs in any tier.

- Tier 1 drugs are Part D covered generic drugs.
- Tier 2 drugs are Part D covered brand name drugs and some generic drugs.
- Tier 3 drugs are Michigan Medicaid (non-Part D) covered drugs and OTC drugs and products.

**If you have questions**, please call AmeriHealth Caritas VIP Care Plus at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free. For more information, visit **[www.amerihealthcaritasvipcareplus.com](http://www.amerihealthcaritasvipcareplus.com)**.

## C. Overview of the *List of Covered Drugs*

The following list of covered drugs gives you information about the drugs covered by AmeriHealth Caritas VIP Care Plus. If you have trouble finding your drug in the list, turn to the Index of Covered Drugs that begins on page 127. The index alphabetically lists all drugs covered by AmeriHealth Caritas VIP Care Plus.

The first column of the chart lists the name of the drug. Brand name drugs are capitalized (e.g., COUMADIN), and generic drugs are listed in lower-case italics (e.g., *warfarin*).

The information in the necessary actions, restrictions, or limits on use column tells you if AmeriHealth Caritas VIP Care Plus has any rules for covering your drug.

### Here are the meanings of the codes used in the “Necessary actions, restrictions, or limits on use” column:

**B/D:** The prescription drug has a Part B versus Part D administrative prior authorization requirement. This drug may be covered under Medicare Part B or Part D depending upon the circumstances. Information may need to be submitted describing the use and setting of the drug to make the determination.

**QL:** Quantity Limit. For certain drugs, AmeriHealth Caritas VIP Care Plus limits the amount of the drug that the plan will cover. For example, our plan provides nine tablets per 30-day prescription for sumatriptan succinate. This may be in addition to a standard one-month or three-month supply.

**ST:** Step Therapy. In some cases, AmeriHealth Caritas VIP Care Plus requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, AmeriHealth Caritas VIP Care Plus may not cover Drug B unless you try Drug A first. If Drug A does not work for you, AmeriHealth Caritas VIP Care Plus will then cover Drug B.

**PA:** Prior Authorization. AmeriHealth Caritas VIP Care Plus requires you or your physician to get prior authorization for certain drugs. This means that you will need to get approval from AmeriHealth Caritas VIP Care Plus before you fill your prescriptions. If you don't get approval, AmeriHealth Caritas VIP Care Plus may not cover the drug.

**NMO:** This Prescription cannot be filled by the mail order pharmacy. Please review your *Provider and Pharmacy Directory* for more information about which pharmacies offer mail order service. For more information consult your *Provider and Pharmacy Directory* or call our Member Services department.

**MME:** This indicates an additional quantity limit on drugs in the opioid class, which is based on the morphine milligram equivalent (MME). MME is used to determine and monitor safe dosing and duration of therapy. If the amount of opioids prescribed is above the limit, but is needed, the prescriber can request the plan cover additional quantity.

**DCR:** This indicates that an appropriate diagnosis code is required for coverage of this medication.

If you have questions, please call AmeriHealth Caritas VIP Care Plus at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free. For more information, visit [www.amerihhealthcaritasvipcareplus.com](http://www.amerihhealthcaritasvipcareplus.com).

**Note:** The DP next to a drug means the drug is not a “Part D drug.”

- These drugs have different rules for appeals. An appeal is a formal way of asking us to review a coverage decision and to change it if you think we made a mistake. For example, we might decide that a drug that you want is not covered or is no longer covered by Medicare or Michigan Medicaid.
- If you or your prescriber disagrees with our decision, you can appeal. To ask for instructions on how to appeal, call Member Services at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. You can also read Chapter 9 in the Member Handbook to learn how to appeal a decision.
